

Malta Thermal Baths

Welcome to Malta Thermal Baths - the most modern and at the same time largest indoor water complex in Poland, located by Maltańskie Lake in the very heart of Poznań. On the stretch of about 6 hectares there are 18 pools of the joint water surface area of 500m². The complex includes an Aqua Park, Sauna World and sports pools with auditorium for 4000 seats.

Malta Thermal Baths Aqua Park is a water world with countless attractions. For adrenaline junkies there are waterslides, wild rivers and sea waves. For those seeking relaxation, there is a number of jacuzzis, saltwater pools, whirlpools and beaches with rattan chairs.

Sports pools are part of a modern complex of full-sized pools with a professional infrastructure and training facilities. The 10 m high diving tower, DIVAS system, a special pool with the depth of 5 meters as well as a 50 meter Olympic pool make this place unique not only to professional athletes but also to water sports enthusiasts.

Sauna World is a place one of a kind, which in the scenery of the Lost City of Angkor allows you to have extraordinary moments of pure relaxation. Over a dozen saunas with color-therapy, a snow cave, flower laconium, salt graduation tower and a tepidarium with water beds will meet the expectations of even the most demanding of guests.
