

Blubry 6D - Legends of Poznań in 6D

It is an exceptional place where you can feel the spirit of Old Poznań. Stepping inside a time capsule you will be transported into the past and get to know the characters of urban legends. The stories will be told by a voiceover in one of the selected languages: Polish, English, German or Spanish. You will experience the available attractions using all your senses.

Thanks to 3D glasses you will be able to see 700 square meters of paintings referring to the history of Old Poznań and created in 3D technology. In the multimedia screening room you can hear the characteristic Poznań dialect and see a meter-and-a-half mockup of the Poznań Town Hall. The reception of all the experiences will be strengthened by special effects - fog, wind, lasers and meeting moving characters - the protagonists of our stories, as well as smelling the sweet almondy scent of St Martin's croissants. This is just a small snippet of all the attractions we have in store for you.

Blubry - Poznań legends in 6D is a place where legendary stories are combined with modern, state of the art technologies. You can be both a participant and the creator of the stories and can voice your impressions and emotions out loud.
