

# 239

## Coffee\_Culture\_Architecture

New unique place in Łazarz district. In menu we can find breakfast, lunch (including vegetable versions and gluten-free) as well as sweetness and delicious coffee. From November in 239 will begin a series of meetings with architects, urban planners and historians of architecture, also with Łazarz district as a subject ... meetings are a pretext to talk about how Łazarz district was ... and what will be in the future.

During the week breakfast from 9, from 13 lunch menu.

On Saturday and Sunday from 11:00 unhurried breakfast, from 14h00 the afternoon menu.
