

Malta Ski Sport & Recreation Centre

Located on the southern shore of the Maltańskie Lake. Its greatest attraction is a year-round artificial slope. Completed in 1993, it is 150 m in length. In 1998 a 560-metre-long summer toboggan-run was opened. In 2012, an all-year-round Adrenaline alpine coaster was launched. A 500 m track allows reaching the speed of 40 km/h.
