

## Spaghetteria AVANTI

Spaghetteria AVANTI offers Italian cuisines: spaghetti, lasagne, pasta casserole, salads... Every morning, fresh sauces, salads and starters are prepared in our kitchen. Spaghetti and all other pastas are prepared on an ongoing basis during the day, in order to be served "al dente." Thanks to that, our dishes are distinguished by their high quality. When translated, "Avanti" (Italian) means an **INVITATION** to come in, but it is also an exclamation: **FORWARD**, which is a synonym of progress. So...**AVANTI!!!**
