

Gastro Poznań Together- we recommend, order from and support Poznań restaurants

Let's protect Poznan's gastronomy during the pandemic and support local restaurants! Without our help, the Poznan gastronomy market will change irreversibly and we simply will have nothing to go back to. If you would like to come back to your favorite restaurants, toast with your friends in a good wine bar or invite your family for a delicious pork chop, then let's help the restaurants to survive until the end of the restriction period. Let's order, recommend and support the local "gastro"! We invite the restaurants to use hashtags, which will allow clients to "track" the offer of individual restaurants. The patrons will be advised what hashtags to use to find out what is good to order and how to pick up the order. We plan to use the hashtags on Facebook and Instagram.
