

Młyńska 12

Mlynska 12 is a modern office complex with the extremely impressive restaurant "The Time" at its very heart. This project is very complex and not limited to just the restaurant. Among the many attractions available for tourists and Poznań residents, the "Wine by the glass" initiative, a great rooftop bar or a culinary studio are particularly worth mentioning, and believe us, it does not end there.

Breakfast offer is 7 different sets at PLN 12,90 each. The price includes coffee. Breakfast is served in the restaurant or on an the unique patio that turns into a heated winter garden on a cold day. This is one of our portal's best breakfast recommendations!

Breakfast offer is available from 8:00 a.m. untill noon Monday to Friday.
