

# Imperial Castle got even more beautiful!

West wing of the Imperial Castle reopened after renovation. Historical interiors were never more beautiful! How to visit them?

## Renovation of the west wing in the Imperial Castle is finished!

Since July 13<sup>th</sup> visiting of the historical part in the Imperial Castle is possible again. The former residence of the Emperor Wilhelm II, after its 2-year renovation got back its former glory and has reopened for the public. This was the biggest project in the castle since 40s of 20th century. Inside you can transfer to the beginnings of the 20th century and see how the Emperors of that times lived.

## Visiting

The castle can be visited in a new ways. For your disposal there are audioguides - as a separate device (not available during the pandemic) or as an app for your smartphone (available during the pandemic). Or, if you prefer, you can visit it individually without an audioguide.

As soon as the coronavirus is over in Poland, you will be allowed to use services of the guides in Polish and ENGLISH. There will be possible organised visiting in other languages.

Visiting from Monday till Sunday between 11:00 am and 7:00 pm. (Modern part of the castle stays free, open 10 am - 9 pm).

Prices:

- individual visit 5 zł per person, kids up to 5 yo free. To every ticket map and informational leaflet.
- renting an audioguide 15 zł (since August 1<sup>st</sup> 20 zł), kids up to 5 yo free.
