

What to do in Poznań?

Every week we present three events happening in Poznan and its surroundings. Sometimes these are concerts of international stars, and sometimes local events that are an opportunity to experience the atmosphere of the city.

Björk Digital - exhibition

3-31.10.2017

Venue: Stary Browar, ul. Półwiejska 32, Poznań

The "Björk Digital" exhibition will open the 11th edition of Art & Fashion Forum by Grażyna Kulczyk - the most innovative Polish fashion and art event in Poland. The VR exhibition is an extremely personal project by Björk, an outstanding artist, pioneer in the field of art, music and technology, created in collaboration with great artists. The exhibition "Björk Digital" will be open from 3 to 31 October at Stary Browar in Poznań. Tickets are available at www.bilety24.pl.
