

Arena Tennis Centre

Arena Tennis Centre has welcomed tennis lovers for the first time twelve years ago. Since then, it expanded its offer in this sports discipline and added new ones: squash, badminton and table tennis. It offers perfect settings to spend time actively.

Arena Tennis Centre is a place of established and solid market position. Regular customers, excellent coaches, great settings for classes and tournaments - with these features, we are the leaders of the Wielkopolska tennis. The facility underwent thorough renovation - we offer our guests and players a renovated club space and restaurant.

Why CT Arena:

- in the centre of Poznań - conveniently reached by car, tram and bus,
- esthetically finished modern facility, friendly atmosphere, interiors encouraging to make associations,
- well trained, experienced personnel and team of coaches guarantee satisfaction with the classes,
- rich, children-oriented offer: schools, play centres, individual lessons,
- parking places for Club Members.

For tennis fans:

- 3 tennis courts in the hall - DDTop Velour carpet surface with granulation on asphalt base reducing joint burden (in the summer season - ventilated,
- in the winter season - heated up to 16°C,
- 2 external courts - artificial grass surface, with quartz sand,
- illuminated exterior and interior courts,
- qualified coach team.

For squash lovers:

- 3 high quality courts with McWill panel walls and glass back walls,
- floor with joist asphalt base providing great amortization and preventing additional joint burden,
- air-conditioning on all courts.

For all who like badminton:

Please visit one of 4 CT Arena courts in well illuminated Schöpp halls with PCV floor. In the summer, the hall is ventilated, in autumn/winter it is heated, which allows to keep constant temperature of 16°C in each place of the facility."
