The main advantage of this place is that ecology is so important for us. We are sensitive with quality of meals we serve. During your stay in Glamour you can relax in modern SPA & MED. Here you can keep fit in our gym and fitness classes. You can use our sauna and have great time in our restaurant trying delicious meals which follows healthy cuisine. We are famous for serving goose meat in different ways. Getting from Glamour to the city center takes only 15 minutes. What is more - we have got perfect localization for those guests who travel by plane! (the distance between these two spots is only just 2 km long).
