

Tarnowskie Thermal Baths

Tarnowskie Thermal Baths is a modern pool and recreation complex. An exceptional aqua park which acquires its water from geothermal springs 1200 meters underground, delivering water at the temperature of over 45.7 degrees Celsius.

Three zones - recreational, sports and sauna with pools and many water attractions are great fun for the kids. Outside, there is a large, sandy beach with a playground, a graduation tower, a beach volleyball court and leisure zones.
