

Go-Karts - karting track

Poznań Indoor Karting is a 2600m2 centre with a professional indoor karting track.

There is also a sportsbar with a wide selection of drinks and snacks for drivers and passengers, as well as a meeting place with a special waiting room overlooking the track. The track itself is a few hundred meters long and allows the most exciting experience of riding a real professional race carakart.

Come, visit, and let's see what you've got.
