

Adrenaline Alpine Coaster

Malta Ski is a recreational and leisure complex located near the very centre of the city, at picturesquely situated Maltańskie Lake. The alpine coaster, as promised by its name, delivers an unforgettable adrenaline rush.

Railway track built on pillars over an existing Toboggan Run is 500 meters long with number of turns and twisted loop to overcome - even up to 360 degrees. Double wagons can ride on the track at a speed of about 40 km per hour. They are equipped with safety belts and brakes regulating speed.
