

## 4\* Hotels

Poznań has quite a significant list of 4\* hotels, some of them massive hotels belonging to a certain chain group, others representing local “brands”. The one thing that all have in common is of course the high standard of offered services. 4\* hospitality facilities will often treat their guest to additional bonuses free of charge: these can range from welcome drinks and treats at check out to convenient on-site facilities: spa/wellness, fitness center and much more.

### **Puro Hotel\*\*\*\***

### **Hotel Kolegiacki\*\*\*\***

The hotel was created with two joint townhouses - one from the late 18th, and the other from early 19th century. The buildings' historical value and the meticulously preserved, authentic elements with over 200 years of history oblige to assure the highest hotel standards. Specially designed stylish furniture as well as antiques and sophisticated draperies made with the noblest fabric - including silk - are all in unison with the interior's unique character.
