

Family hotels

Traveling with kids can be a bit troublesome at times. Luckily, more and more hotels try to cater to the accommodation needs of their youngest guests, and keeping the whole family happy and comfortable. A list of hotels where both parents and kids of all ages can feel relaxed and pampered can be found below. The facilities listed here guarantee good value as well as a variety of activities for children and youngsters.

City Park Hotel & Residence*****

City Park Hotel & Residence ambitiously tries to fulfil all the needs of all its guests. For families, there is a possibility to put two additional beds in the room. Among the many surprises awaiting the hotel's youngest guests are mini-gifts in the form of coloring books, fables or yummy hot cocoa. In the hotel restaurant there is a well equipped fun corner, and often on weekends, interesting workshops are organized for the kids. [More...](#)
