### SPEAKERS:

**MARCIN OLSZEWSKI, Ph. D.**, Department of Tourism at the Faculty of International Economics at the Poznan University of Economics, member of the Polish Economic Society. His interests include issues related to the competitiveness of tourism enterprises, measurement and management of the service quality in tourism, new technologies, as well as knowledge management in tourist businesses. Author of numerous publications on the above mentioned subject.

**PIOTR ZMYŚLONY, Ph. D.**, Department of Tourism at the Faculty of International Economics at the Poznan University of Economics. His academic and professional interest areas are: tourism destination management, especially in urban areas; destination leadership; destination governance; collaboration and partnerships in tourism planning and management; destination marketing; business tourism and meetings industry; and the functioning of Destination Management Organizations. He is an author of several books and numerous papers on the above mentioned subjects.

**WOJCIECH MANIA, Ph. D.**, geographer, graduate of Adam Mickiewicz University in Poznań – one of the top three universities in Poland. His broad interests include cultural landscapes, protection of cultural and natural heritage, creative industries and modern technologies. Working as a project manager for Poznań Tourism Organisation (DMO) he provides strictly practical experience in tourism. He is responsible for several projects, including: development of cultural tourism and contacts with cultural institutions, official tourist web portal ([www.poznan.travel](http://www.poznan.travel)) and social media, publications, public relations and study tours. He is also involved in organisation of several events such as: Half Price Poznań, Poznań Fortress Days or International Games Festival Let's Play Poznań.

The Project co-financed by the Polish development cooperation programme of the Ministry of Foreign Affairs of the Republic of Poland.
