[DELI Park in Trzebaw](#) - 10% discount

DELI Park is an educational-leisure facility. There is a miniature park with the world's most famous buildings in miniature, gigantic insect and prehistoric dinosaur models and a petting zoo. The first open-air ECO-Village has also been opened here - it is a series of 10 suspension bridges attached to 11 trees, with terraces and cabins. Visitors have the opportunity to safely wander between the tree tops, learn about the particular parts of the forest from the sheathing to the treetops and experience a virtual trip to the inside of the tree, as well as admire the landscape of the Wielkopolski National Park. In the Park area there are also playgrounds for the little ones as well as a water zone and inflatables are available during the summer.

[Kaiserpanorama](#) - free entrance

The Poznań Kaiserpanorama (Fotoplastykon Poznański) is a unique installation enabling the viewing of photographs in 3D without the use of modern technology. These devices were a hit when they were introduced in the 19th century, and they are thought to have laid the groundwork for modern cinematography. The Kaiserpanorama in Poznań is over 100 years old and is one of the few still operating devices like this in Poland. Exhibitions are different every quarter, each transporting the viewers to past eras. The presented collections include 48 photographs, and the show is approx. 15 minutes long. The Poznań Kaiserpanorama is located by the Cultural Information Centre Poznań.

Poznań Palm House - discounted ticket

Poznań Palm House is located in the Wilson Park. Its first building was erected in 1911; in 1929, for the National Exhibition, another building was added (the second Palmhouse), according to the project by S. Cybichowski. During the war, the Palmhouse was seriously damaged, which is why it had to be completely rebuilt between 1982 and 1992. The Palm House has amassed huge collections of plants, thus becoming one of the biggest institutions of this kind in Europe. It has 17 thousand plants of 700 species and subspecies from the Mediterranean, subtropical, tropical, savannah and desert climates. There is also an extensive collection of exotic fish here.

Poznań Croissant Museum and Experience - keepsake gadget

In Poznań Croissant Museum you can discover the secrets of Poznań’s greatest culinary treasure - the St. Martin’s croissant. Visitors can look forward to a live telling of the St. Martin’s croissant history: where the croissant’s shape originated, what the ins and outs of its noble recipe are, and also to a lesson in baking the croissants together with a lesson of the Poznanian dialect. The museum is located in a historic townhouse in the Old Market Square, opposite the Town Hall, the Klasztorna side-entrance. Inside of the townhouse there is an original, 500-year-old Renaissance-gothic ceiling. From the windows of the museum, Poznań’s famous billy goats are very well visible, which is an added attraction of the forenoon show.

[Miniature Park along the Piast Route in Pobiedziska](#) - ticket for the price of a school group ticket

The Miniature Park along the Piast Route is one of the oldest of its kind in Poland. There are over 30 historically accurate miniatures of historical sites of the Piast Route as well as some interesting fragments of the Wielkopolska cities' urban development. They are faithful reproductions of the originals, with all the details intact. The objects currently in the miniature park are (among others) the Rogalin Palace, the Raczyński Library, the Gniezno Cathedral and Poznań's Old Market Square. Each of them is at a scale of 1:20. In 2017, sculptures depicting characters from the Slavic mythology have also been added.
