SPOT. is a modern, multifunctional interior that also houses a restaurant. Popular culinary workshops, vernissages, meetings and conferences are organized here. The heart of SPOT is a popular restaurant. The menu includes European dishes with local accents. Seasonal menu served in a refined, modern form fits the raw interior of the former power plant. The brick building looks very impressive. SPOT is the winner of many culinary awards. This is a perfect place for lunch, dinner for two or a glass of wine. The offer of the premises includes several dozen wine labels available at reasonable prices. SPOT. is a place where tastings, presentations and wine competitions are regularly held.
